

# ANN ARBOR SKI TEAM

## High School Interscholastic Ski Racing

### Who Are We?

The Ann Arbor Ski Team participates in a race league run by the Mt. Brighton Interscholastic Ski Association (MBISA). The other eleven teams are regular varsity and junior varsity teams that are associated with specific schools.

The Ann Arbor team is a club organization that includes racers from 7 local high schools. The team is open to any family with one or more high school students interested in alpine racing.

### When Do We Ski?

Our season covers five weeks in January and early February. During the season, training Monday and Wednesday is 6-8 pm. Races are Tuesday and Thursday from about 4:15 to 6:30. Dry land training started this week; we move to snow when Mt. Brighton opens.

### Why Try Racing?

Most of our racers were skiers with little or no racing experience. If you don't race, but love to ski, then consider this:

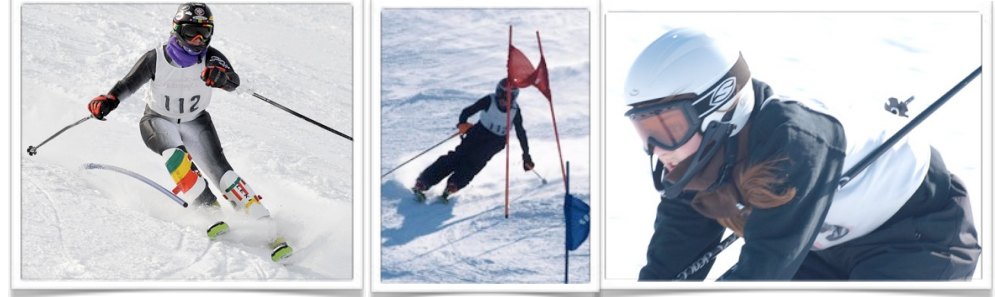

- Spend 4 days on snow with other high school skiers
- Improve more than you would believe possible
- Start a sport you can continue for the rest of your life

### How Do I Join?

See our web site [www.a2skiteam.org](http://www.a2skiteam.org) and contact a team officer or coach Ronnie Brandt.
